Steps for ACC CE - Welcome to Concurrent Enrollment!

Hello!

I'm excited you're interested in taking an Arapahoe Community College (ACC) concurrent enrollment (CE) class next semester! Here is a link that will tell you all about how to get started. Please read this right away, as there are a lot of steps, and the sooner you get started, the easier the process is.

Here's a summary of the steps in the link, but **CLICK ON THE LINK AND READ ALL OF IT!**

1. Connect with me about the requirements for CE. Read the bullet points below, and consider us connected!
 - Be in 11th or 12th grade.
 - Be in good standing in previous coursework and show a history of strong standardized test scores. This may include a GPA of 3.0 for the previous 2 semesters.
 - Have the social maturity to excel in a college environment.
 - Receive a minimum score on the ACT, SAT, or Accuplacer as needed for the course you want to take.
 - Submit the completed [Concurrent Enrollment Course Request Form](#) to the counselor by the published deadline, and complete all steps of the CE application process with ACC.
 - Meet with your counselor once each year to review eligibility for CE.
2. Apply for admission to ACC (fill out the online application) and authorize the College Opportunity Fund (COF).
 - Create an ACC account and apply for admission here: <https://tinyurl.com/b9ypkdf6>
 - Authorize the COF here: <https://cof.college-assist.org/>

3. Decide what course you want to take and then meet the prerequisites for that course. You may need to meet an SAT/ACT cut score, or you may need to take the Accuplacer placement test in order to qualify to take a course. If you need to take the Accuplacer, you will make an appointment at an ACC campus and take the test there.

4. Do ACC's new student orientation.
5. Attend an advising and registration session.
6. Take the course.

Wishing you a wonderful experience in this exciting endeavor!

Sincerely,

Mick Travis, Counselor
