Policy #503 X-Blocks

Students may request to participate in an activity outside of RSS during an X-Block period in lieu of an RSS X-Block. Credit may be given for participation in non-RSS off-campus activities. Approval is at the discretion of the Principal or Principal's designee. In order for an activity to qualify for consideration, it must meet the following criteria:

- Students must submit a written request form and proposal, including parent permission, which must be approved by their Advisory crew leader to the front office at the beginning of the quarter.
- Students must provide their coach/instructor with the coach/instructor agreement at the beginning of the quarter and return it promptly to the front office.
- Parents must consent to their student's participation of the activity in lieu of an RSS X-Block and must be willing to provide transportation to/from the activity.
- Students must submit evidence of their participation in this activity and demonstrate understanding in some form, which shall be submitted to their Advisory crew leader.
- Students must submit an attendance and grade documentation form signed by their coach/instructor at the end of the quarter.
